Smart 5500 Expansion Module | Walk Through

Why the Expansion Module?

The Tecdesk Smart 5500 Expansion Module is designed to help make your life easier and effortlessly manage your time better in an office environment.

The 'Virtual Presence' feature has been designed with the users' day-to-day actions and activities in mind.

It seamlessly lets you identify the status of your contact group therefore saving you valuable time and aiding you in your day to day decision making.

Hot Keys
Quick dial your contacts by simply pressing the button.

- Attach up to 3 Modules
- 20 Contacts per Module

Virtual Presence
This unique feature indicates the status of the contacts in your group.

- Green is for **'Available'**
- Yellow is for **'Busy'**
- Red is for **'Unavailable'**

5.8" Black & White LCD Display
Dimensions: 105*180*115 (mm)

Easy Connection
Simply and easily clips into the Tecdesk Smart 5500
